American Soul: A Cultural Narrative

Ronald Schenk

American Soul: A Cultural Narrative Ronald Schenk

American Soul delves into American rhetoric surrounding historical and current conditions and events to unearth an underlying cultural narrative or myth rooted in America's particular Judeo-Christian tradition. Exploring the birth and evolution of the nation, foreign policy, political tropes, and the challenges of Katrina, 9/11, Enron, and the financial meltdown, a cultural image emerges which runs counter to popularly accepted notions of the nation's core identity.
