In the last several years since the supposed apocalypse according to the Mayan calendar, it seems as if the whole world has gone completely mad. So what really happened in December of 2012? Some have claimed that the school shooting at Newtown, was a “child sacrifice” of sorts to pacify the gods that they believed would have destroyed us. Note that gods with a little g is not Yahweh, the Almighty God, but demonic false gods who would demand such a sacrifice. Since that time we have seen the Boston Bombing massacre, multiple attempts at other terrorist acts, numerous multiple murders, horrible rapes of women and children, natural disasters, and supposed industrial accidents probably due to human error and neglect all over the world! In addition to these we have more recently seen the ebola epidemic explode, another war in Israel with Hamas, and the extremist ISIS Muslims beheading and murdering Christians and others because of their radical ideology. ISIS’ stated goal is to restore the “caliphate”, an Islamic state under the rule of a community of religious scholars guided by a supreme leader, the caliph, which is generally taken to mean the successor to the False Prophet Muhammad. Abu Bakr al-Baghdadi, the leader of the Islamic State, is calling himself “Caliph Ibrahim” so could he possibly be the antichrist? It will have to wait to be seen.
