A sheltered young man leaves home to start college and faces the unpleasant realities of life once he's on his own. His sexual deviance of being a foot fetishist makes it more challenging for him to adjust to campus life, stay focused on schoolwork and develop relationships with coeds. He fails to avoid academic probation, drops out of school and begins working at a supermarket where he befriends his coworker who is also a sexual deviant— a compulsive voyeur. Bad habits, urges and greed becomes too powerful to overcome; this brings disappointment to everyone in the end.
