She never expected to see her old flame again. Or be kidnapped by him.

Omega Sector agent Cameron Branson is on the most important case of his career: recovery of highly-classified code-breaking software that has fallen into the worst possible hands.

After months of undercover work, he's on the verge of recovering the software and finally putting to rest the demons that haunt him. Until graphic artist Sophia Reardon -a familiar face from his past- happens to show up in the wrong place at the wrong time. Knowing that with a word she could expose him, Cameron is forced to hurl this innocent beauty into his world of deception and terror.

And as it all begins to unravel, Cameron must choose - finish the mission that could protect so many or save the one woman he's never been able to forget.
