**My 35 Years in Uniform A Memoir** Mr. Raymond F. Wright Jr.

This book chronicles my life as a teenager and how the Marine Corps not only changed my life forever, but prepared me for a long career in law enforcement. I chronicle every assignment in almost six years as a Marine, then every assignment during my 29+ years as a cop. The candid stories told are both harrowing and humorous and involve true life incidents that include injury and death. This unique book covers two careers that are rarely written as one, and shows the influence that my family background had in becoming a Marine.
