## Not Your Mother's Book . . . On Being a Parent

Each title in the Not Your Mother's Book series contains approximately 60 real-life stories dedicated to a unique theme, drawn from the passion and experience of dozens of writers in a whimsical and entertaining mix of irreverence and humor. Founded by former coauthors and editors of the Chicken Soup for the Soul series, this similarly styled anthology series foregoes the sad, sappy, preachy, or death-oriented stories that were that series' hallmark, and unlike that series, is never afraid to be a little risqué. These stories are funny, daring, different, and smart. Becoming a parent is part of the circle of life, and children bring joy to life—that and poopy diapers. The stories in this book begin with conception and end with becoming a parent to a parent. Every story in between offers laughter and those joyous moments to which all parents can relate.
