As a small boy growing up in the mid-1800s in the highlands of Guatemala, Sebastian becomes charmed by a toy marimba he overheard at the town market. With no money to buy it, he must think of another way to own one. How can Sebastian reach his dream of playing a true musical instrument?

Based loosely on actual events, this story follows Sebastián Hurtado's quest for the perfect marimba. As an adult, Sebastián Hurtado developed the modern or chromatic marimba, introduced to the United States in the early 20th century by his children, members of the famous Hurtado Brother's Royal Marimba Band.
