## **Social Security Under the Gun: What Every Informed Citizen Needs to Know About Pension Reform**

Arthur Benavie

The US public has been led to believe that Social Security is going bankrupt and that our children will be burdened with supporting the elderly unless it is reformed. Benavie will refute these arguments. While it is true that our public pension system can be improved, this book will separate the widely accepted economic facts of the issue from personal value judgements. This book is an invaluable guide to understanding and making informed decisions about one of our most important social welfare systems.
