The Blair Effect: The Blair Government 1997-2001

The Blair Effect: The Blair Government 1997-2001

The Blair Effect is a collection of authoritative and (reasonably) unpartisan commentaries on the first administration of Tony Blair as it approaches a General Election. The authors demonstrate that it is possible to write contemporary history about even the most recent past in an accessible yet scrupulously objective manner. Contributors include Peter Riddell, Vernon Bogdanor, Dennis Kavanagh, and a host of other star analysts.
