This book discusses the esoteric meaning in the Fountain of Youth - a concept that comes from ancient Celtic literature. The journey to the Otherworld is central to this idea, and the author outlines her understanding of the deeper levels of meaning hidden within this world of mystery and magic. Fascinating insights are unearthed from the Cauldron of Knowledge contained in Celtic iconography. This is the long awaited sequel to Song of the Blue Star, and part of the series which helps us to understand our wisdom heritage of legend and myth, and to find the connections between Celtic and the Native American sacred traditions.
