The first novel in this coming of age fantasy series filled with magic, adventure, and heart.

In a land where magic has withered for centuries, Mae Waylander is the last magic wielder in Aegunlund. She is the craft-born. But Mae has kept her true identity hidden from the world, and she's not about to reveal her secret. Not when the King is searching for the craft-born to marry his heir, Prince Casimir.

In Mae's town of Halts-Walden, the ambitious miller claims his daughter Ellen is the craft-born. All Mae has to do is sit back and wait until Casimir and Ellen are married, then she will finally be free of the threat of her fate. But on that day an event so shocking and terrible occurs that Mae finds herself entering the neighbouring cursed forest on a quest she never thought she'd have to follow.

Join Mae as she rides her white stag through the Waerg Woods with a pampered prince at her heels. She's out for revenge and nothing--no one--will get in her way.
