Defining Moments in Journalism (Media Studies Series)

Defining Moments in Journalism (Media Studies Series)

Most great transformations are not apparent as we live through them. Only in hindsight do individual moments acquire layers of meaning that give them great significance. Looking back is not something that comes naturally to journalists, immersed as they are in breaking events and relentless deadlines. But there is still good reason for journalists, scholars, and people who care about journalism to think about the critical episodes in its recent evolution. In *Defining Moments in Journalism*, such authors vividly describe episodes of this kind.

Some of the chapters and contributors include: "The Lessons of Little Rock" by Harry S. Ashmore; "Vietnam and War Reporting" by Peter Arnett; "Photo-journalists—Visionaries Who Have Changed Our Vision" by Jane M. Rosett; "The Weight of Watergate" by Ellen Hume; "Women Sportswriters—Business as Usual" by Mary Schmitt; "The Connie Chung Phenomenon" by Somini Sengupta; and "Covering Politics—Is There a Female Difference?" by Judy Woodruff.

The years since the Great Depression and World War II have seen vast changes in America and also in its journalism. Journalists' relationship to power and authority is more complex; the press corps has become more diverse; the technology of news reporting is almost unrecognizably different from that of fifty years ago; and economic reorganization of the media has bundled news and entertainment organizations into conglomerates of extraordinary size. *Defining Moments in Journalism* is a fascinating read for communications scholars and professionals, historians, and political scientists.
