Finally she's gotten her life back on track and finds herself walking into the law internship of her dreams. But when she realizes the owner of this prestigious law firm, the man who is now her boss, is that same Brett from college, all the familiar feelings of attraction mixed with intimidation return. Brett is more formidable than ever and just as mysterious and sexy as he was all those years ago. And when his deep desires are revealed to her, she finally understands the nervous tension he'd always manage to arouse in her.
