Sarah Bernhardt, Her Films, Her Recordings (Foreword by Kevin Brownlow, Academy Award-winning film historian.) Sarah Bernhardt was called the world's greatest actress. She spoke on one of Edison's first recordings. She appeared in one of the first sound movies. She earned a place in motion picture history with her highly influential Queen Elizabeth, a film that started Adolph Zukor on the road to success with Famous Players, the company that became Paramount Pictures. Sarah's work in early films and recordings takes center stage in David W.
