Portfolio Design for the Accessories Designer is specifically designed to teach how job-winning portfolios get created by the individual accessories designer. Design students, applicants to design schools, and recent graduates will all find this book helpful. Using examples drawn from a successful accessory designer's portfolio, this book demonstrates what it takes to have a professional, well-developed portfolio, using the best practices that we teach through our classes at the Fashion Research Institute. These practices have evolved specifically from successes in job hunting and working in the industry. These 'insider secrets' are exactly the things you need to successfully develop and show your design portfolio to potential employers and design schools, and any place you need to be able to demonstrate your design skills to maximum effect.
