Turn Around Bright Eyes Steve Hammond

Few crimes in gay and lesbian history rocked a nation as great as The Drag Queen Killer. The country seemed paralyzed from the first ring of the chain tapping on the concrete, as they pulled Cassandra to her death, until the very last brutal killing. The murderous rampage seemed buried amongst the media suffering from a barrage of tales from the 9-11 terrorist attacks. This riveting story unfolds in uncomplicated narrative by best selling authors Steve Hammond and Todd Kachinski Kottmeier. From the writer of "Two Days Past Dead," you will be fascinated by the lost details of the crime from the first page until the last word.
