*Contending with Christianity's Critics* is book two in a series on modern Christian apologetics that began with the popular *Passionate Conviction*. This second installment, featuring writings from eighteen respected apologists such as Gary Habermas and Ben Witherington, addresses challenges from noted New Atheists like Richard Dawkins (*The God Delusion*) and other contemporary critics of Christianity concerning belief in God, the historical Jesus, and Christianity's doctrinal coherence. *Contending with Christianity's Critics* and *Passionate Conviction* are the result of national apologetics conferences sponsored by the Evangelical Philosophical Society ([www.epsociety.org](http://www.epsociety.org)).
