In the early 20th century, two female baseball players signed with minor league teams only to have their contracts canceled when their gender became public. They withdrew politely, never having the chance to put their talents on display. In this historical novel, Cleveland pitcher Annie Cardello does not go so quietly. When the baseball commissioner cancels her signed agreement, she vows to retaliate. A volatile woman with family roots in ancient Sicily, Annie plots her revenge--murder. A deft blend of sports history and thriller, Drawing Card demonstrates the danger of a woman scorned, especially one with a mean curve ball.
