#### **Sandra Mendoza:**

Reading a book being new life style in this yr; every people loves to study a book. When you go through a book you can get a large amount of benefit. When you read books, you can improve your knowledge, since book has a lot of information on it. The information that you will get depend on what forms of book that you have read. If you would like get information about your study, you can read education books, but if you want to entertain yourself read a fiction books, such us novel, comics, in addition to soon. The General Chemistry I as a Second Language Mastering the Fundamental Skills provide you with new experience in looking at a book.

#### **Jessie Adams:**

As a college student exactly feel bored to be able to reading. If their teacher inquired them to go to the library in order to make summary for some e-book, they are complained. Just minor students that has reading's spirit or real their passion. They just do what the professor want, like asked to go to the library. They go to right now there but nothing reading critically. Any students feel that looking at is not important, boring and also can't see colorful pics on there. Yeah, it is being complicated. Book is very important for you personally. As we know that on this period, many ways to get whatever we would like. Likewise word says, many ways to reach Chinese's country. Therefore this General Chemistry I as a Second Language Mastering the Fundamental Skills can make you experience more interested to read.
