MIDNIGHT MAN

Interior designer Suzanne Barron always thought she'd fall in love slowly with a suitable man, a safe man. Former navy SEAL John Huntington—aka the Midnight Man-- is anything but safe. The day they meet, Suzanne shocks herself by having no holds barred sex with John. But her panic goes into overdrive when danger strikes. John will protect her, but who's going to protect her heart from him?

John is a SEAL, and he never backs down. The Midnight Man is used to fighting for what he wants, but the fight turns deadly when unknown enemies attack. Suddenly, Suzanne's life is on the line.

Once John's had a taste of her, there's no doubt that Suzanne belongs to him, and whoever is after her will have to go through him first...

MIDNIGHT RUN

Claire Parks fought her way back from the brink of death and now it's time to celebrate and paint the town red--or at least pink. Letting herself be seduced by a rugged lumberjack who exudes sex appeal seems like just what the doctor ordered. Little does Claire know that the smoldering stranger is undercover police detective Bud Morrison.

When Claire's life is threatened, Bud leaps into action. Rescuing women is what Bud does best and he pulls out all the stops. He knows just how to protect her, and he'll do whatever it takes, including keeping her under lock and key. But Claire has fought too hard for life to let herself be locked away and treated like blown glass.

She's flesh and blood, and all woman. Bud will have to meet her halfway if he wants to make her his, and if they're to have a hope in hell of outrunning the danger at their heels...

MIDNIGHT ANGEL

BEAUTY AND THE BEAST

After a violent attack, Allegra Ennis lost everything—her father, her music career and her sight. Living in a world alone, full of darkness and fear, Allegra is haunted by nightmares that don't end when she opens her eyes.

When she is stalked by an unknown killer, Allegra must trust her life—and her heart—to former Navy SEAL Douglas Kowalski, a fearsome warrior who bears the scars of war. But Kowalski fears that someone as beautiful and talented as Allegra could never love a disfigured and mutilated war hero like him. He can protect her against danger, but can he protect his heart?

It's not what you see
...it's what you feel.
