Necessary Evil of Nathan Miller (Nightmares Trilogy Book 2) Demelza Carlton

Evil should never be necessary. Except when it is.

"And now in breaking news, Caitlin Lockyer has been found. In the early hours of this morning, a man discovered her body dumped on a south-west beach. A police spokesperson would not confirm whether the girl known as the Absent Angel is alive or dead..."

Caitlin wakes in hospital, her damaged body telling a brutal story of torture, kidnap and rape that she will never forget. Her only lifeline is Nathan, the mysterious man who saved her life and promised to protect her. But Nathan is a broken man, hounded by his own demons and secrets he can't bear to tell.

Burning for retribution, Caitlin will stop at nothing to get her life back. Can she trust Nathan to help her - or will his past destroy them both?

A tiny taste of what's in store:

Don't get into cars with strangers.

So stupid to think I was strong enough to resist.

But I never dreamed it would happen to me.

I tried to back away, but the b**** behind me didn't let me. She hit my diaphragm with the heel of her hand, forcing my breath out in a huff. Unable to breathe, the street stood still in my mind as I stared around, desperately hoping for someone to see - someone who'd help me. Did eyes meet mine? Did I imagine understanding? If it was, it came too late. The burning flare that was my need to breathe exploded and she shoved me into the car. I fell on flesh encased in fabric as I gasped for breath, a flailing fish in the pervert's lap as I lay across the back seat. I dimly heard the doors and windows shut. The motor hummed as the car accelerated away - before I had enough air to scream.
