Straight Talk is a book of TRUE stories about real, everyday people. The individuals that you meet in this book know the meaning of remorse. They know what it means to search for a father's love. To be a "technical" virgin. To marry just because they are pregnant, hoping to change Him.

When it comes to consequences, they learned the hard way that pregnancy is just the tip of the iceberg. "I wish I had known then what I do now, but nobody told me," writes one.

Well, now they're telling you. They say that sex is a soul tie, a bond that can haunt you for the rest of your life. They share what extramarital sex does to your self-esteem. They tell how they dealt with sexual addiction, and how they struggled to find forgiveness and victory, or how they resisted temptation to remain a virgin. As they share thier stories you will learn defensive strategies. How to say no in an inoffensive way. How far is too far. How to stay pure.

If you want to avoid regrets, here's HELP.

If you already have regrets, here's HOPE
