The Drive Home Vikki Raven **Christof and Jess are back!**

I'd thought it would be a one time thing, but I'd come back. He was just too amazing, and I'd needed more. The second time had been even more incredible than the first, but now Christof had really let me in emotionally, and while I had just been looking at him like the alpha sexual monster that he was who I just wanted to ravage me and take me in every way possible, I now just wanted to wrap him up in my arms and stroke his head and tell him that everything would be okay...

Now that Jess knows Christof's secret, will things change between them? Will he make her his, or will he push her away?

CAUTION!: Not only will this SEXY story pull your little heart strings, but its FILTHY details will really get your juices flowing. Don't say I didn't warn you.
