THE EXORCIST & EMILY, AGE 5 Scott Frederick Hargrave

Not every Horror Story has to take place in a dark and decaying mansion, full of eerie hallways and dark bedrooms, or secret attics echoing with sin and sorrow ... all haunted by the tortured ghosts of the murdered and the dead.

No ... Sometimes the most soul-chilling nightmares come to us, wrapped not in dank and cob-webbed funeral shrouds ... but disguised in bright cheerful daylight, and hidden in plain sight among the littlest and most innocent of things that fill our humdrum everyday life.

'I will show you fear in a handful of dust ...' T. S. Eliot warns us in his classic poem The Wasteland. True, to those who see it, there is horror in every mote of mortal sand that falls away through every human hourglass ... as all we are is forever lost into eternity.

But here is a tiny little tale to chill the reader's soul not with screams ... but with whispers and children's off-key singing.

And here it begins not in a cemetery full of weeping, but at a beautiful little girl's fifth birthday party, filled with happy children's laughter and shouts of glee.

For Emily Angela is about to unwrap a very unexpected birthday gift that has some dark and disturbing surprises waiting beneath its ribbons and bows!

Do we dare look inside?

And all those tiny bright flames we see jumping and swirling up off the candles all across Emily Angela's birthday cake? Why do we suddenly wonder if witches in Dark Ages danced with the same mad frenzy of doom and damnation and delight ... as they were tied to their burning stake?

Come! You are invited to a Birthday Party!

Come even closer! The beautiful and terrifying Emily Angela, age five ... is waiting to show you ... her Big Surprise!
