The Way I See It Tim Baker

You may not know what worldview is, but that doesn't mean you don't have one. By uncovering some of the most common worldviews, author Tim Baker challenges young adults to determine which worldview they hold, how to develop and strengthen their Christian worldview, and how to spot alternative views in everyday life. With a full-color, image-driven interior, this book communicates to visually motivated teens that worldview is not about theories but about how they act out their faith in God and their love for others.
