A Dictionary of Urglaawe Terminology

Robert L. Schreiwer

A Dictionary of Urglaawe Terminology Robert L. Schreiwer

This book is a repository of the terms, concepts, symbols and mythological references used in the Heathen path of Urglaawe. The entries include the cultural values, spiritual awareness, and wisdom carried through the centuries in the oral lore of the Elder healing practice of Braucherei, which is also known as Pow Wow. Included in the entries are traditions and customs that are part of the living Deitsch, -- Pennsylvania German or Pennsylvania Dutch -- folk culture. Adherents to Heathen paths, including Ásatrú, Irminenschaft, Theodism, Forn Sidr, Odinism, and other traditions, will find these entries useful as they provide another voice to the totality of the Teutonic folk experience.
