A Tourist Guide to Castles of Europe and the United States

Frederick Von Thrauthemburg

A Tourist Guide to Castles of Europe and the United States Frederick Von Thrauthemburg

This book is an introduction to the castles and great estates of Germany and the United States. Each has its own history; many are open to the public where others are owned privately by the families. Many of the photos and notes are taken from my diaries and journals during extended tours throughout Germany and the USA. My thanks and gratitude to family and friends who contributed to this book, provided photos, and the families living in these estates who've provided histories and information.
