## ***Savior***

I've never met a man as dangerous for me as Clayton. The sexy FBI agent wants to enlist my junkie kid brother in his war against the violent Latin Kings. My proximity puts me in the line of fire, but Clayton's determined to keep me close to protect me.

When I try to push him away, he ruthlessly exploits my weakness: lust. He grants me the sweet release that I can only find in sexual submission, and I am quickly becoming addicted to him.

I am willing and eager to give him my body. But can I do that without putting my heart - and my life - in jeopardy?

## ***Rogue***

I can't afford to make mistakes. When you work for the FBI, mistakes can cost lives.

Busting BDSM club Decadence for drug trafficking is my chance to prove myself. And no pushy Dominant is going to throw me off my game, not even sinfully sexy club owner Derek Carter.

I have to keep him close in order to uncover his secrets, but keeping him close to my body while guarding my heart is proving more difficult than I ever imagined.

He might be my biggest mistake yet.

## ***Knight***

My captor tormented me until I forgot my own name. Then my new Master came and saved me. He tries to make me see him as FBI agent Smith James, but I can only think of him as Master.

He is obsessed with putting the pieces of my shattered soul back together. He wants to heal me, but I'm scared. If I'm not a slave, he won't be my Master anymore. I might be a shadow of the woman I was, but without him I would cease to exist altogether.

I've found my salvation in his obsession, my freedom in his captivity. If I can make him love me, he'll never let me go.

\*Note\* The Impossible Series contains scorching hot scenes of BDSM!
