Making Love: Sexual Love the Divine Way Barry Long

Making Love: Sexual Love the Divine Way is a book about the mistakes we've all made in confusing love with sex. (Also available as an Audio Book.) It contains Barry Long's essential tantric teaching on how to rediscover the true union of man and woman. Barry Long attacks male sexuality as a corruption of love on this planet and claims that most unhappiness arises because we have forgotten how to make love rightly. He restores the place of romance and gives couples very practical advice on how to change their sexual behaviours so that they can realign their love for each other with the love of God. Widely recognised as a ground-breaking work, the book is frequently quoted as a source of inspiration by other teachers and therapists in this field. It has been translated into nine languages and when well- placed in the bookstore becomes a best-seller - because the title says it all.
