Elizabeth Chastain wants him dead. The curvy bartender has spent years masking the **bloodlust and anger** that pumps through her veins but when he returns, she can't hold it back any longer. Completely out of her element, she sets off into the big, scary woods by herself, intent on taking down the bear who has taken so much from her.

Logan purposely removed himself from society, making a solitary life for himself deep in the woods in order to keep his secret from the world. When he happens upon the injured Elizabeth, he finds the woman has awakened something fierce inside of him, a **primal, animalistic lust** he has never felt before.

No bear stands a chance against the vicious duo of Elizabeth and Logan, the two strangers who are about to find out how powerful their **wild, feral union** can be.

Sensuality and eroticism contained inside. 18+ readers only.
