**The Superhawks Quartet: Strike Force Alpha, Strike Force Bravo, Strike Force Charlie, and Strike Force Delta** Mack Maloney

**An action-packed quartet from the bestselling author of the Wingman series featuring the Superhawks, an ultrasecret team of patriotic US military specialists who declare war against every terrorist connected to the attacks of 9/11**

Assembled by a mysterious superspy and operating without the political or bureaucratic oversight that can hamstring even the bravest fighting forces, the Superhawks are America's ruthless answer to the horrifying post-9/11 reality. An ultraelite force operating on the edges, they are the world's best sharpshooters, spies, demolition men, pilots, brawlers, and soldiers—and they all have a personal impetus for revenge.

In *Strike Force Alpha*, the Superhawks' mission is to kill Osama bin Laden, but they wind up saving the world. Hidden aboard the *Ocean Voyager*, this elite unit of assault troops carries out brazen, daring raids all over the Persian Gulf as it seeks its number 1 target: al-Qaeda's master mission planner.

*Strike Force Bravo* begins with the Superhawks taking on a bin-Laden-linked terrorist cell that's captured Singapore's Tonka Tower Hotel, one of the world's tallest skyscrapers. But al-Qaeda is hatching a new plot involving Stinger missiles. Can the Superhawks stop it in time? Or will the sprawling American military bureaucracy trip itself up before they even have a chance to try?

In *Strike Force Charlie*, dozens of al-Qaeda terrorists preparing to unleash a series of attacks from the heart of America sneak into the United States under paper-thin disguises. The Superhawks team up with a group of civilians to protect the country, save thousands of lives, and purge the government of high-level traitors who threaten the freedoms we hold most dear.

In *Strike Force Delta*, a supersquad from America's premier special ops unit, Delta Force, comes under attack in West Africa. Though they take out over 50 terrorists, the secret Delta Thunder team is captured. It's up to the Superhawks to invade the radicals' fortress, save the unit's men, and flatline the "crown prince" of terrorism before he can execute the hostages on live TV.
