A Mighty Fortress (Hymns of the West Book 1) Faith Blum

“Stay back!” Joshua ordered. He kept his eyes on the scene below while waving his arm in Ruth's direction.

“Get deeper into the woods and stay down low to the ground.”

Joshua hazarded a glance behind him. He could no longer see Ruth and breathed a sigh of relief. In one swift move, he grabbed his rifle and lay flat to the ground. Extending the rifle, he aimed at the shorter man whose gun was pointed at Bradshaw.

Joshua and Ruth Brookings are traveling by stagecoach to finally join their parents in Montana. Attacked by murderous outlaws, the teens barely escape with their lives and must survive in the barren Wyoming and Montana territories and escape the man who's hunting them.

Seven years ago, Jed Stuart ran away from home and joined Tom's gang. Jed is tired of the lawlessness and wants out. The only problem? He is the boss's right-hand man and will never be able to leave. And what's one more stagecoach robbery, anyway?

Can Joshua lean on God's strength to keep himself and his sister alive until they find a town? Will Jed be able to face his anger or will it consume him completely? All three are running--the hunter and hunted. What will happen when they meet?

This book can be read as a stand alone, but to get the full picture, it would be best to read all the books in the series. The second and third books are now available
