## **Nation's Courts Directory - 2015 Edition** Robert S. Want

Published since 1975, the directory is known as the *nation's court reference*, relied on by attorneys, librarians, paralegals, students and all those with an interest in the courts and how they operate.

In addition to its comprehensive federal/state/county court listings, the directory includes state court organization charts (explaining how each state judiciary operates and the route of appeal), a guide to how a case is litigated, and a glossary of terms and landmark U.S. Supreme Court decisions.

Also includes names of State Supreme Court Justices and the names U.S. Supreme Court Justices, from those nominated by President George Washington to present.

Federal and state court websites are included throughout, providing easy access to more detailed information on each particular court, such as biographies of the judges and guide to visiting while the court is in session.
