How is this book unique?

1. Unabridged (100% Original content)
2. Formatted for e-reader
3. Font adjustments & biography included
4. Illustrated

About Nicholas Nickleby by Charles Dickens

Nicholas Nickleby; or, The Life and Adventures of Nicholas Nickleby is a novel by Charles Dickens. Originally published as a serial from 1838 to 1839, it was Dickens' third novel. The novel centers on the life and adventures of Nicholas Nickleby, a young man who must support his mother and sister after his father dies. Nicholas Nickleby is Charles Dickens' third published novel. He returned to his favourite publishers and to the format that was considered so successful with *The Pickwick Papers*. The story first appeared in monthly parts, after which it was issued in one volume. The style is considered to be episodic and humorous. Dickens began writing 'Nickleby' while still working on *Oliver Twist* and while the mood is considerably lighter, his depiction of the Yorkshire school run by Wackford Squeers is as moving and influential as those of the workhouse and criminal underclass in *Twist*. 'Nickleby' marks a new development in a further sense as it is the first of Dickens' romances. When it was published the book was an immediate and complete success and established Dickens's lasting reputation. The cruelty of a real Yorkshire schoolmaster named William Shaw became the basis for Dickens's brutal character of Wackford Squeers. Dickens visited his school and based the school section of *Nicholas Nickleby* on his visit.
